Ginny,

I have the B&H Creative Contract with Caribiner that you did for Yvette. On page 2 (term and termination) it says the agreement will commence as of the date of the agreement (2/13/96) and continue until the later of December 31, 1995 or complete.....

The services section specify that they are due by 2/23/96. Do you want to reprint page two correcting the 12/31/95 date or is it ok to still go ahead with the agreement with the dates as listed?

Thanks,
Brian
